FPM Sales pace comparison per region

2026 compared to 5-year average and 2025

The *FPM Sales pace* compares the current year's cumulative volumes sold on the FPM with the previous year and the five-year average. Differences in these trends reflect variations in hectares planted, regional weather conditions, yield performance, and market timing. Blue indicates regions that are done delivering for this season. Seasons are based on calendar year.

Note: This comparison is based on total volumes sold, not on hectares planted
